Monday 13th Sept 2010

Present: Darryl Hearn, Ross Brazier, Craig Simmich, Kim Schramm, Susan Hird.

Apologies: Peter Smith

Meeting commenced: 9.30am

Competitions:

Craig is to re do the Wednesday night poster. Teams need to be submitted by 1st Dec with grading two weeks after. We are also asking for a list of potential teams by the beginning of November, so that interest in the comp can be ascertained.

Discussion was had on how the Q'ld team was selected. Susan will follow up.

Juniors:

Very little interest has been shown yet on the training camps, however there are still a couple of weeks till the closing date. It was discussed that if these new camps couldn't be set up, to approach Nathan Turnbull & Carl Hampson – who already run squash academies – to link up with them.

Karakal Tour: Ross is going to follow up with Marc Forster with regards his tour for next year; whether we can be involved in any way.

Ross also mentioned a possible sponsor of the future. Brisbane .tv. The contact is Steve Brown.

Web Site:

Craig raised his desire to have the "Brisbane Region" on the Q Squash website as a direct link to the Brisbane City website. At this stage it requires an extra 'click' to get there. Kim wants to retain the "Brisbane Region" page on the Q Squash website.

Craig has been in touch with Squash Aust. Re World Squash Day. How can we celebrate?

Craig is also looking at offering squash related groups the option of advertising on our web site.
